Dear Sportsfan:

As we prepare to kick off the 2020 season (our 32<sup>nd</sup> in the business) it also marks the 50<sup>th</sup> anniversary of The Twin Tragedies that devastated the College Football World. In 1970, planes carrying Wichita State and Marshall players, coaches and boosters crashed six weeks apart killing a combined 106 people. As we remember the lives lost, it is important to recognize the powerful role that sports can play in restoring hope. It is especially important today as we continue to deal with the devastation of COVID-19. We still don't know what the 2020 season will look like, but we do know this- whenever the games resume, they will be vital in providing a rallying point for all of us that hunger for normality.

## THE SERIOUS PLAYER

### CONTENT AND COST OF EXECUTIVE MEMBERSHIP

The Executive Service is for the serious player and offers the best value. With our Executive package you will get all of our releases typically 4 to 7 plays in college and 1 to 3 plays in the NFL rated 1-5 stars weekly. You will also get all of the star-rated releases of over 20 other services – some of which charge as much as \$3,500 for their packages! There is simply no reason to pay hundreds or thousands of dollars for a single sports service when you can get them all right here (in addition to all of our plays)!! We also rate the services on our website so you know who is hot and who has been consistently good.

As an Executive member you will also get the extremely popular **Wednesday Night Chat** where I tell you games we are looking at for the weekend and lines that are going to move. As an Executive member you will also get plays as we release them, sometimes as early as Tuesday! This allows us to take advantage of line moves that seem to happen quite often on the games we pick. If you were an executive club member last year you were able to get some great lines on games that we released early in the week and we will be doing even more of it this season! We still have texting available and we strongly recommend taking advantage of this service, so you can get the plays immediately as they are released no matter where you are!!

### PRICING

Our price is still very reasonable considering the quantity and quality of services. Our price for this year if you pay by cash, check or money order is only **\$1,595**. If you are a returning customer as a show of our appreciation for your loyalty, we will knock another **\$300** off- so you get the entire Executive Service for only **\$1,295** complete!! This price is only good if you pay by August 26<sup>th</sup> – sorry no exceptions! You may mail your check to **NCI, P.O. Box 96, Gadsden, AL 35902**
